

Sandwich Garden Club Newsletter

April 10, 2022

Good morning,

I hope you are enjoying this beautiful spring morning! It has finally warmed up! This newsletter is chock full of activities and events, so please have your calendars at hand. Hold on your hats- it's a whirlwind for sure and there's only 43 of us. HELP

SUNDAY, APRIL 24 APRIL MONTHLY MEETING 1:30 PM at 28 Ocean Pines, Sagamore Beach- the home of Tania Sadlick-Cutler

This is our monthly SGC meeting, and we are grateful to Tania for opening up her beautiful property to us. I will start with a short business meeting, and then Tania will give us a tour of her beautiful perennial gardens and greenhouse. After the tour, we will have a short educational session led by Tania on dividing, transplanting and potting perennials. Just in time for the Plant Sale!

As like Plymouth Museum and Gardens last fall, we will offer a carpool to those who would like to ride with someone. Let's gather at the parking lot at Sandwich High School at 1PM. It always works out with drivers, but if you could let me know ahead of time that you can help with the driving, that would be great. Of course, take your own car and meet us there if you'd like

In terms of parking, Tania advises: " There is a sidewalk with a bit of grass adjacent to the street so you can park on that area in front of the rock wall or just beyond the granite post mailbox. The driveway has little if any turnaround when multiple cars are there but you can back out if more than a few park there. 4 cars could get into the driveway. "

We will have a club member at the end of Tania's driveway to assist people on where to park just in case.
